

# CATERING BAR SERVICES

## BAR SERVICES MENU

Black Woods Group Catering is happy to provide full service bar options to our guests. We offer a broad selection of liquor, beer, and wine. Each event is staffed by experienced and knowledgeable bartenders. Please choose your services from the menu below.

## CUSTOMIZABLE OPTIONS

Traditional bar options are customizable. We are able to source and add additional spirits and drafts to meet the needs of your event. Please ask about substitution options.

## REQUIREMENTS

State law requires food must accompany alcoholic beverage services. Black Woods Group Catering requires a minimum of two bartenders for every bar service and a minimum of \$500 in sales. If the minimum is not met, the client will be required to pay the difference.
